

BS/MS IN MECHANICAL ENGINEERING

Statements and Supplemental Documents

In order to complete your graduate application, you will be required to submit the following three documents with your application:

- Statement of Purpose
- Statement of Personal Achievements/Contributions
- Résumé or Curriculum Vitae (CV)

Statement of Purpose

Give a brief statement outlining your reasons for undertaking a graduate program, your particular area of specialization within the major field, your past academic work, and your plans for future occupation or profession. Also include any additional information that may assist the selection committee in evaluating your preparation and aptitude for graduate study at UC Santa Barbara.

Personal Achievements/Contributions

UC Santa Barbara is interested in a diverse and inclusive graduate student population. Please describe any aspects of your personal background, accomplishments, or achievements that you feel are important in evaluating your application for graduate study. For example, please describe if you have experienced economic challenges in achieving higher education, such as being financially responsible for family members or dependents, having to work significant hours during undergraduate schooling or coming from a family background of limited income. Please describe if you have any unusual or varied life experiences that might contribute to the diversity of the graduate group, such as fluency in other languages, experience living in bicultural communities, academic research interests focusing on cultural, societal, or educational problems as they affect underserved segments of society, or evidence of an intention to use the graduate degree toward serving disadvantaged individuals or populations.

Résumé or Curriculum Vitae

List your positions of employment or volunteer work/community service since high school, either full or part-time, including the hours per week worked and the nature and dates of employment or service.
